Palm oil challenge

Palm oil is found in more than 50% of household items. You may be surprised when you check the items in your cupboards. Use the table below to tick the correct box depending on whether the products in your house contain palm oil, don't contain palm oil or contain sustainable palm oil (which helps to protect wildlife)

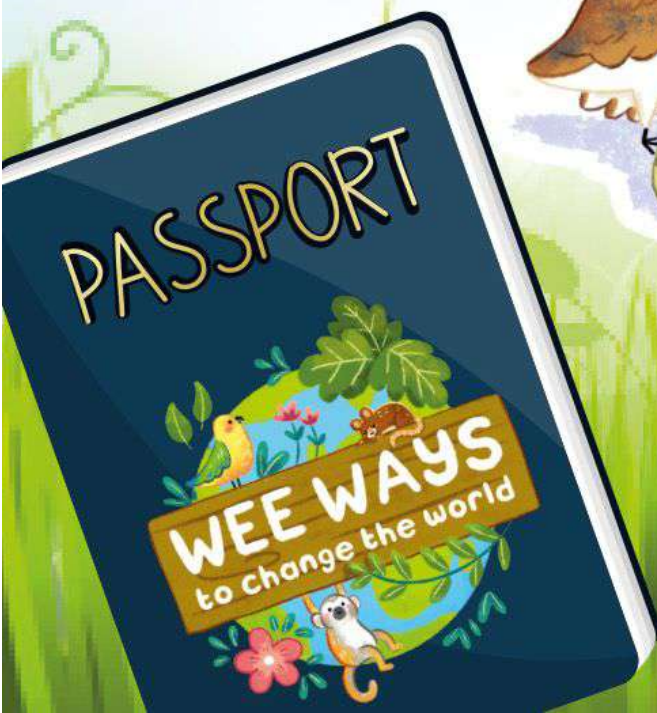

Product (biscuits, bread, cake, chocolate, shampoo, soap, etc)	Palm oil listed in the ingredients	No palm oil listed in the ingredients	Sustainable palm oil symbol on packaging
